### BAZAAR.

The Bazaar in aid of the Parish Hall Building Fund was held on the 16th and 17th insts. It was a decided success in every way.

The weather was perfect and visitors came from far and near.

The stalls were apparently well-stocked, but the eager crowds soon made inroads on one and all. The willing attendants having quite a busy time of it.

During the evening musical items were rendered and much appreciated.

The second day was also successful, and the workers at its close went home leaving empty stalls, every article had found a purchaser.

A sports committee enlivened things outside and gathered a few pounds from various competitions.

At the close of the Bazaar, the Rector stated that the Hon. Treasurer had just informed him that the funds then in hand were sufficient to pay off all debts. That great thanks was due to Mrs. Weber.

The following night the end of the festivities was commenced by a social, which ended only with the dawn.

The social was unanimously declared to have been of the very best, good music, fast floor, excellent supper, and congenial company, with a first class M.C. (Mr. J. Flori, jun.,) assisted by Mr. Jos. Lawrence.
