Sir

Your letter to hand
I could not make arrangements with
Mr Duncan to erect flag so waited till
last night till our meeting when I was
instructed to write & see if you could
come out on Saturday next when the flag
will be up:

I was also instructed to ask you about a lumber
who lives in Corrimal he wants his Loft
surveyed so if you could manage
same I would like you to state the
price as we want the lumber to
go before hand.

Enclosed find Postal Note for 14/6
3 Ducks surveyed less 2/6 as a donation
from you kindly reply by return
