Source: State Records Authority of New South Wales: Shipping Master's Office; Passengers Arriving 1855 - 1922; NRS13278, [X94] reel 399. Transcribed by Lyn Mulcahy, 2004.

You may view/print a scan of the original list SCAN 2 3 4 - a SVGA monitor set to high resolution is recommended for clarity. Use your back button to return.

Modifications made to scans: In some instances, text was enhanced - there was still an occasional name or list which defied this effort to read it; the Master's signature is usually found at the bottom right corner of the page; some pages have been shortened; excessive black markings have been removed. The last two mods. were to enable the fastest possible display in your browser.

The State Records Authority of NSW is hosting the 'Mariners and Ships in Australian Waters' site, as a service to our online users and the family history community, because most of the material in the site is derived directly from the State archives collection
